

AVOKÁDO CUP 2013

17th year of triplets tournament, organized as a part of

CENTROPE CUP

15 JUNE 2013

(ATTENTION, PLACE CHANGED)

KOLOVÁ

Dear petanque friends, our favorite tournament place – Troja castle – was unfortunately flooded and is unavailable for us !!! We received this information from the castle management on Tuesday (June 4) afternoon. Since that time we have had discussions with the pre-selected “castles”. The most promising seemed to be the discussion with the Liblice castle, but today (June 5) we were informed that they will prefer earlier ordered event (marriage). Therefore, we are forced to move this year to a typical and well known place – KOLOVA. In this way, we would like to thank the President of PC Kolová for this opportunity.

Nevertheless, my friends, you can believe that we will do our best to make you feel good as you are used to, and spent a pleasant petanque day even on the replacement place. We look forward to meeting you!
